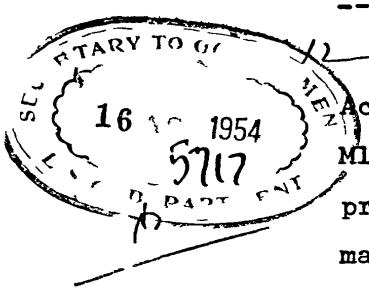
re Loan sanctioned for ... Water Supply ... Mysore

U O No. 499 /C.S.A dated 12 11.1954.

15-11



The form of agreement prescribed in the Municipal Accounts Manual which is based on G.O.No L 2224-43 Ml. 95-23-13 dated 13 9.1924 (vide Appendix K of M A M) provides for the drawal in one lump, the loan that may be sanctioned by Government Since the form has not had any amendment till now, it does not suit the proposal of the Commissioner, Mysore City Municipality to draw the loan amount in instalments and to authorise the P.W Department to debit it to loan amount under the Head "R. Loans and Advances by State Government etc " as and when spent and to recover it from the Municipality.

G O.No L.3475-3596 Ml a 137-52-2 dated 16 6 1952 prescribed the procedure for repayment of loans by the Town Municipalities The same procedure may perhaps be applied in the case of the repayment of loans sanctioned to the City Municipalities also A suitable form of agreement in conformity with the procedure of repayment of loan as prescribed in the Government Order dated 16 6.1952 referred to above has perhaps to be prescribed by Government in consultation with the Advocate-General, or the Law Department and the Accountant General, Mysore In this connection it has to be pointed out that the existing form of Agreement referred to in para 1 supra was proposed by the then Government Advocate.
